Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The college, being affiliated to Kurukshetra University, Kurukshetra follows the curriculum developed by the university. However, the teachers review the curriculum regularly and give their inputs directly as a member of Board of Studies of University or indirectly, to the senior teachers of University or other institutions who are member of Board of Studies so that whenever the curriculum is revised by the University, their suggestions may be incorporated. Further, the academic calendar is also published by the University which includes date of commencement of classes, semester break, end semester examinations etc. The college also prepares academic calendar for the college which includes date of internal examinations and proposed activities schedule in addition to the schedule given by the University in its academic calendar. The academic calendar is published on college website in the beginning of the

new session. Departments are asked to give their workload prior to the beginning of new academic session for preparing the time table of the college before the commencement of the classes. Further, the teaching plan is devised within each department in which teachers are allotted papers according to their area of expertise. Also, the Heads of Departments conduct the meetings to plan the activities of the department and to review the completed syllabus. For the effective implementation of the curriculum, conventional teaching methodology is blended with new teaching tools like PPTs and multimedia tools, mainly in subjects where visuals are very effective like Zoology, Botany, Chemistry, Computer Science etc. Study materials, notes and question banks are provided to students in the class. Seminar and project work are given to students to give them practical training. Subject societies and clubs are active throughout the year and organize various activities like extension lectures, quizzes, fests and excursions to enhance subject knowledge of the students. The achievements of objectives of the syllabus are measured through students' performance in Internal tests, group discussions, presentations and University examinations. New books are added to the library every year. E-journals and magazines are available in the library for students. Also, departmental library is maintained by some departments to facilitate the students to access to latest books available in concerned subjects and topics. The college has well equipped class rooms and laboratories. fully equipped language labs have been developed to improve communication skills of the students. The college infrastructure and facilities are continuously being upgraded to suit the needs of curriculum and pedagogy.

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>Much before the idea of taking feedback was in practice, our college encouraged the students to give their feedback freely about any matter related to the college. This is done by placing suggestion box in the vicinity of Principal's office. Any suggestion/complaint given by any student of the college is discussed on day to day basis and necessary steps are taken. The suggestion received with action taken report is displayed on college notice board. This inspires more students to raise their genuine concerns and this helps the college to improve the performance and strengthen the quality of education. Furthermore, feedback of final year students is taken by the college through the questionnaire asking about the quality of education, quality of campus facilities, availability of resources, student-faculty interaction, infrastructure, personality development and placements. The institution believes that the contribution of alumni is essential in the development of the institution. Our college maintains a strong and healthy association with the alumnus. Informal alumni feedback is collected during the Annual Convocation. Also, Feedback of parents is collected regarding admission process, approachability of teaching and non-teaching staff and overall personality development of their ward. The feedback received by various stakeholders is discussed in meetings of IQAC and based on the feedback received, recommendations are made by IQAC for improvisation of academic facilities, physical facilities and support facilities of the college.</p>

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The college introduces the evaluation system to check the teaching learning process. When the academic year commences, all students are informed about the evaluation process for their clear understanding. The college being affiliated to the KUK follows the process specified by the university. The university has introduced internal evaluation system for all the colleges. The marks are forwarded to the university after conducting internal evaluation. The internal evaluation of the students is done on the basis of marks secured by them in assignments, sessional tests and attendance. Independent learning is enhanced by organizing various co-curricular activities. PERSONALITY DEVELOPMENT The college focuses on the development of the personality and the soft skills of the students. For this purpose, they attend language lab on regular basis. At the end of the session an English proficiency test is conducted and they are provided with certificates. IQAC (INTERNAL QUALITY ASSURANCE CELL) The quality of teaching learning process is being monitored by the IQAC on regular basis by

evaluating the performance of each faculty through head of departments. The university examination results are critically analyzed by the heads of department and discussed widely for the improvement of both teachers and students. The college has also introduced self-appraisal report to be filled by each teacher on annual basis.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

College has adopted streamlined Academic Calendar. The sole purpose of incorporating academic calendar is to improve the teaching-learning qualities, to finish the assigned task within deadlines and instill among teachers and students, the importance of professional standard. In accordance with UGC guidelines, the college adopted a semester system of teaching in 2011 - preparing a combined academic calendar for the two semesters July-December and Jan-April. Classes are scheduled six days a week from Monday to Saturday from 8:30 a.m. to 4:00 p.m.. Additional lectures and co-curricular activities are scheduled accordingly. A centralized academic calendar is then prepared listing important dates (including admission, semester examination, and session commencement and closing dates), holidays, and other events for convenience of the students, faculty and other staff members. This calendar is then displayed well in advance on the college website and is also printed in the prospectus.

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

? Landscaping with Trees and Plants The sprawling campus of the college is an epitome of greenery and it is due to continuing efforts of the college staff

and support of the college management. The college boasts of a large variety of avenue trees, medicinal and ornamental plants. Regular maintenance of lawns is carried out by trained hard working crew of gardeners. Plantation work is carried out throughout the year and specially during the van mahotsav. The chairman of the college also takes keen interest and encourages the workforce for maintaining a clean and green campus. The college has a well maintained Botanical garden for the students of Botany. The plantation drives are carried every year. In addition, college has a tradition of planting sampling by the retiring staff on their day of retirement/last working day. ? Pedestrian friendly: College has multi-level parking facility for two wheeler, separate for Staff, Girls and Boys having entry/exit from outside the college. Entry of students' vehicles is restricted inside the college campus making it pedestrian friendly. Broad concrete all weather footpaths connecting different blocks of the college for student safety. ? Energy Conservation : Replacing traditional bulbs with energy saving CFL lights, tube lights and energy efficient instruments to save energy. ? Reducing waste, reusing and recycling : Compost Pits are being used for disposal of bio waste. Farmyard manure is used in gardening. The paper waste and E-waste are disposed of through proper mechanism for reuse and recycling. ? Public Transport: Our College is accessible from three states i.e. Himachal, U.P. and Haryana. Students use the public transport and are provided all the necessary help for getting fair rebate from govt. public transport. ? Sewage treatment Plant: Sewage treatment plant is maintained and checked by government officials periodically. Treated water is used in lawns and playgrounds. ? Use of Solar Water Heaters: Solar water heaters are installed in Girls hostel to save electricity. They are maintained for efficiency and leakage regularly.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

1. TITLE OF THE PRACTICE: "BLOOD DONATION MELA" OBJECTIVE OF THE PRACTICE: To serve the humanity and save lives. A Mukandian's sacred pledge "Nobody would be allowed to die for want of blood in the region" THE CONTEXT: 5th September, the birthday of the founder of the college, Seth Jai Prakash, after his demise, was innovatively celebrated as a noble tribute by dedicating the day as Blood Donation Mela under the able leadership of Prof. Tilak Raj Chadha, the then Principal of the college, in the year 1972. Since then, Blood Donation Mela is organized every year to celebrate this auspicious day. THE PRACTICE: The Blood Donation Mela became the beginning of a sacred movement of Mukand Lal Institutions to save thousands and thousands of lives. The institute aims at ensuring easy accessibility and adequate supply of safe and quality blood collected from voluntary blood donors to those in need. The students and the staff are committed for blood donation during emergency requirement. The whole Mela is passionately and enthusiastically managed by the volunteers of NSS units and other cells of college under the able guidance of worthy teachers. The college acknowledges the services of donors by felicitating them with appreciation certificate and a souvenir as a token of gratitude for their consistent commitment towards the cause. A nutritious and nourishing refreshment is provided to the donors as well as volunteers. Students of various clubs, cells and societies of the college gather at the entrance of the college holding beautifully decorated placards and slogans and infuse spirit of selfless service to humanity and festivity in the whole region. EVIDENCE OF SUCCESS: On this pious day during 2015-16, doctors from PGI, Chandigarh and District Red Cross Society, Yamuna Nagar collected 503 units of blood. This movement has produced star donors and motivators who have donated blood more than hundred times at various occasions. Some of the Mukandians now have three generations of blood donors donating in continuity. Our alumni wait for this day and enthusiastically participate by coming from faraway places to donate

blood with their family members. For them, it is a reunion day where they meet and rejoice donating blood as their families participate with fervor and festivity. The contribution of the college in the blood donation movement has been recognized and acknowledged by the governor of the state of Haryana. Philanthropy, compassion and selfless service to humanity is the motto of Mukand Lal Institutions of Knowledge and Services and this is completely reflected in the overwhelming success of this Mela in the college over the years. PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED: No financial/resources problem is faced by the college in the planning, preparation and execution of the Blood Donation Mela. In the year 2015-16, an amount of Rs. 1,54,425/- was spent in the organization of Blood Donation Mela. 2. TITLE OF THE PRACTICE: "PLACEMENTS" OBJECTIVE OF THE PRACTICE: To make the student self-reliant and financially independent and to cope up with the requirements of the corporate sector. THE CONTEXT: The mission of the college is to support the learning environment and to promote student success through graduation and beyond. The Career Counseling and Placement Cell is constantly engaged in grooming the students for getting jobs in the market. THE PRACTICE: Our college has been a pioneer in the vision of getting jobs for every student and making him self-reliant i.e. a distinctive and dynamic citizen and working tirelessly to attain glorious heights for himself and become the brand ambassador of the college, a Mukandian. The college is inclined to impart quality and professional education to its students through its various courses and training programs. Our Career Counselling and Placement Cell is constantly engaged in grooming the employability skills of students by organizing various activities like extension lectures and mock interviews. In addition, language labs develop to train students in soft skills. Further, to enhance the employability skills among the students, the college collaborated with LEAP Skills Academy. In the year 2015-16, nearly 80 students registered themselves with the academy and partial payment of their fees was done by the college. EVIDENCE OF SUCCESS: Various renowned companies such as Delollite, IBM, TCS, WIPRO, Concentric, British telecom, Genpact, Tech Mahindra etc visit the campus regularly and 286 students were placed in the companies in 2015-16. PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED: The colleges located in NCR always enjoy leverage. Officials of MNCs carry presumption for the colleges located in tier 2 cities. Secondly, for engaging outside agencies to bridge the skill gaps among the students requires more financial resources.
