

## ACTION TAKEN RPEORT ON FEEDBACK OF STAKEHOLDERS 2021-22

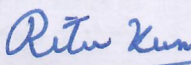

The feedback given by the stakeholders (Students, Teachers and Alumni) has been analysed and suitable action was taken to satisfy their expectations. Based on the feedback of stakeholders, the action taken are illustrated in the following table:

Feedback/Suggestions	Action Taken
Extra classes should be arranged for timely completion of syllabus.	Yes, as and when required
Availability of course related video lectures and study material should be ensured.	Yes, video Lectures and e-content is made available to students through online platforms in some subjects.
All the teachers should ensure discussion with students related to their performance in assignments so that they can improve upon.	The teachers discuss the performance of students in class tests and assignments.
<p>There should be more interaction between teachers and students so that the teachers can better understand potential of each student and guide them accordingly.</p> <p>Workshop on mentorship to make mentors more responsible and alert in terms of their responsibility towards the academic, social, cognitive, emotional and personality growth of students.</p> <p>SWOT analysis of students should be done to understand their problems and potential.</p>	<ul style="list-style-type: none"> <li>• Mentor- Mentee groups are created every year.</li> <li>• The students (mentees) are allotted to the faculty members (mentors) in groups.</li> <li>• The mentor provides advice and guidance to their mentee to help them grow, learn, and develop personally and professionally.</li> <li>• Students share their problems with their mentors also.</li> <li>• Such interactions are helpful for mentors to know the strengths and weaknesses of the mentees.</li> </ul>
Industrial visits/training/internship of students should be done on a regular basis. More educational trips should be organized for students.	Many industrial visits, study tours and extension activities were conducted during the session.
Students should be given representation in more committees of the college so that can directly be involved in decision making process for quality improvement in college.	Students are the members of ICCASH, IQAC, all clubs and societies and play a major role in organizing many events of their respective club or society.
More workshops, seminars, guest lectures and competitions for personality enhancement should be organized.	Many competitions, extension lectures, workshops and other different kind of activities were conducted during the session.

More classrooms should be equipped with ICT tools.	37 classrooms are ICT enabled to facilitate teaching.
Repair and maintenance of equipment and furniture in labs should be done on regular basis.	<ul style="list-style-type: none"> <li>• New Mathematics Lab was created.</li> <li>• Statistics Lab was allocated a new space.</li> <li>• Renovation in Chemistry and Physics Lab was done.</li> </ul>
More latest version books should be arranged for students in college library.	More recent editions of books were purchased in college library.
Outsiders should not be allowed to enter in the college premises.	In order to make College a safe and secure place for all, Discipline Committees have been formed lecture wise as per time table to restrict the entry of outsiders.
Infrastructure in classrooms should be regularly maintained and upgraded.	Done, as and when required
Feedback from students should be taken and acted upon to monitor, review and improve the teaching-learning process.	Yes, Feedback is collected, reviewed and suitable actions are taken.
